

## Rob's Rapport

Let's start with the good news – Neighbourhood Policing in Hillingdon is getting two replacement sergeants to fill the vacancies we had. Sgt Ed Pigot will be heading up Pinkwell, Botwell and Charville and Sgt Laura Pinson will be leading Yeading, Townfield and Barnfield. They start in March.

The good/bad news (depending on how you want to spin it) is that a number of our PCs and PCSOs have been successful in applications to new roles. PC Phillips (Barnhill) is off to Child Protection, PC Murphy (Eastcote) has resigned for a new life in Wales, PC Jones (Brunel) is transferring to Westminster and PCSO Gray is becoming a police constable. All really good news for them and I wish them all the very best. The slightly bad news is the replacement process is not instantaneous and I will have to manage those vacancies for a short while. Rest assured we are doing everything to seek out replacements to get us back up to strength as soon as possible.

The updated contact list is attached overleaf.

## Inspector Rob Bryan

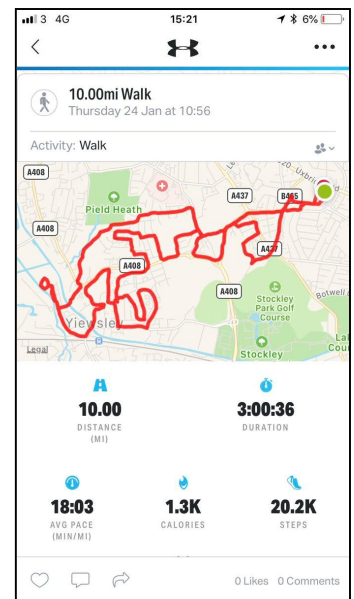

### Hillingdon's Beat

**Eagle eyed newboy.** PC Ashworth, the new DWO for Northwood was out on foot patrol with PCSO Usher when they spotted someone they knew was involved in a business robbery the week before. He was arrested, and later charged and remanded to court. He definitely won't be saying he never sees coppers on patrol anymore.

**Eagle eyed oldboys.** PC Fear and PC Bryant were on foot patrol in Uxbridge when they chased down

and caught a burglar. A week later they hunted down his accomplice, who also got his collar felt. Both kept in custody to the courts. Excellent work by the officers.

**Never see cops on foot patrol anymore?** With the advent of fitbits and social media we can share their patrols with you. Just because you weren't looking out your kitchen window just as PC Lewis was walking past doesn't mean he wasn't out there.

### Our own Interceptors.

An advantage of the West Area amalgamation is that our fast car fleet of Areas Cars can now work together more effectively to stop those using the roads dangerously and illegally. The picture shows a recent example of when the interceptors boxed in a villain before he could do any more damage. Great teamwork.
